

Mobile Banking Registration/Enrollment

Step	Action
1	<ul style="list-style-type: none">○ Download CME FCU Mobile from your App Store.
2	<ul style="list-style-type: none">○ Open CME FCU when it downloads.  <p>The screenshot shows the mobile app interface for CME Federal Credit Union. At the top, there is a status bar with the time 12:07, signal strength, Wi-Fi, and battery icons. Below the status bar is a blue 'Cancel' link. The main content area features the CME logo (a star with 'CME' and 'FEDERAL CREDIT UNION' text) and a login form. The form includes a 'Username' input field, a 'Password' input field with a blue 'Show' link to its right, and a blue 'Forgot?' link below the password field. A grey 'Sign in' button is positioned below the password field. At the bottom of the form, there is a blue link that reads 'First time user? Enroll now'. The background of the app is a blurred image of a person in a yellow raincoat.</p> <ul style="list-style-type: none">○ If you have forgotten your password click on “forgot?”

○ If you are registering for the first time click “First time user? Enroll now”

3 ○ Fill out the information below.

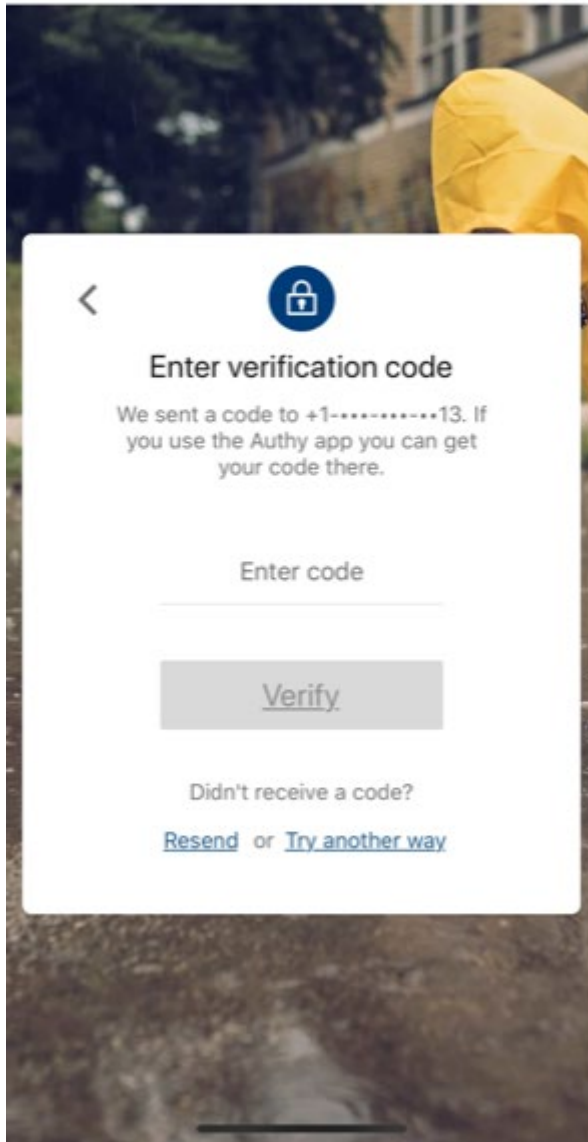

4 • Enter the verification code.

TERMS OF USE AND PRIVACY POLICY

The primary licensor for the online and/or mobile banking service you are using (the "Service") is Jack Henry & Associates, Inc. (the "Provider"). By enrolling in our Service, you hereby agree as follows:

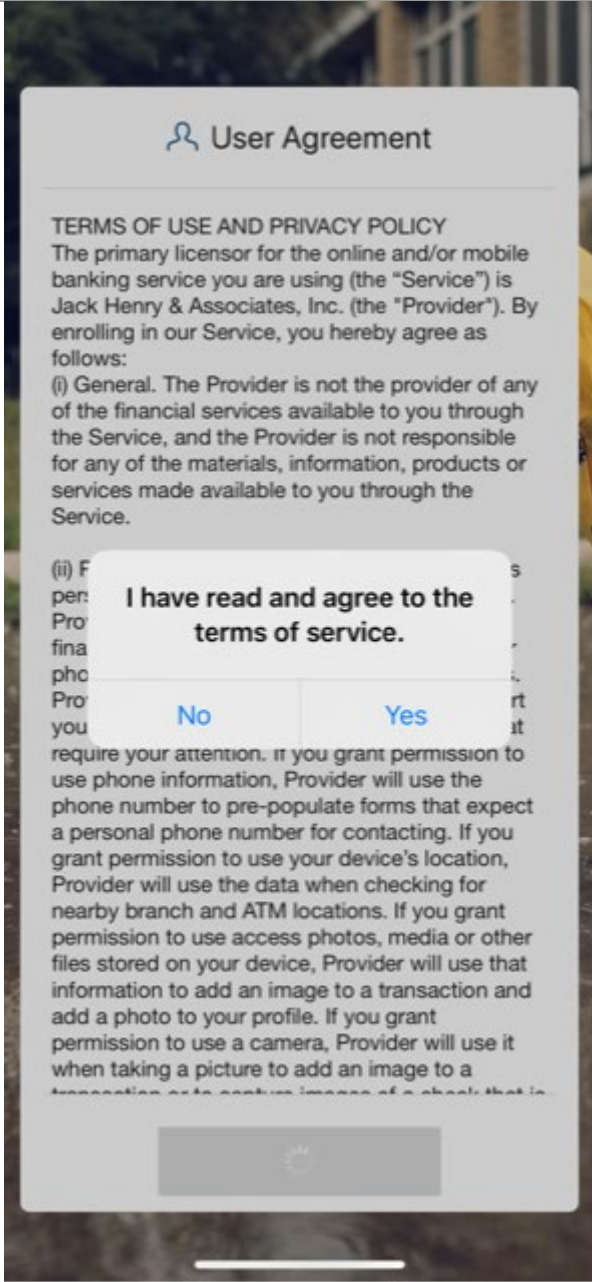

(i) General. The Provider is not the provider of any of the financial services available to you through the Service, and the Provider is not responsible for any of the materials, information, products or services made available to you through the Service.

(ii) Provider Privacy Policy. Provider may access personal information while you use the Service. Provider may access records held by your financial institution for such information as your phone number, home address or email address. Provider will use this contact information to alert you about Service-related events or actions that require your attention. If you grant permission to use phone information, Provider will use the phone number to pre-populate forms that expect a personal phone number for contacting. If you grant permission to use your device's location, Provider will use the data when checking for nearby branch and ATM locations. If you grant permission to use access photos, media or other files stored on your device, Provider will use that information to add an image to a transaction and add a photo to your profile. If you grant permission to use a camera, Provider will use it when taking a picture to add an image to a transaction or to capture images of a check that is
